

## Thomas El-Saad

*Advisor to the GM of ESA Business School*

Mr. Thomas El Saad holds a master's degree in management from Grenoble Ecole de Management and in international relations and Geopolitics from the Institute of International Relations and Strategic Studies (IRIS) in Paris. He joined the team at IFG, where he contributed to the launch of the institute and the implementation of its initial activities.

He then joined the Healthcare Department of ESA Business School where he managed national public health projects for the Lebanese Ministry of Public Health.

He also developed training and research programs in public health and health management. To fulfill his mission, he graduated from the Executive Master's in Health Management at ESA, Ecole des Hautes Etudes en Santé Publique in Rennes, and the University of Paris in 2018.

After graduating from a master's degree in Diplomacy and International Affairs at ESA and the United Nation, he currently holds the position of Advisor the General Manager at ESA Business School.

His responsibilities at ESA have led him to work with various governance stakeholders in Lebanon and the Middle East, both private and public, on a wide range of projects.
